In Memoriam: John "Johnny G" Gartman

1954 - 2026

John was a founding member and President of SCRVRHS at his passing. Among John's many Society contributions, he was head chef and organizer of the tri-tip BBQ at the annual Rail Festival. He used his movie theatre connections to obtain seating and help construct the Railroad Visitor Center theatre. He assisted at the Society's pumpkin patch fund raiser. And every Fourth of July, you could find John at the Society's fireworks booth coordinating set-up and selling fireworks as a fund raiser. John was always there when you needed him.

Clear tracks and green signals Johnny G!
